

World Missions

As we began planning for 1999, the Lord was dealing with us about raising the standard in world missions. In an effort to see our people stirred in a deeper way about missions, we are sending out three short-term missions teams this summer - to Peru, Mexico, and Kenya.

As we presented this exciting plan to the congregation, we explained that our goal was to send 30 people overseas this year! We were blessed when 30 people signed up and paid their deposit! For many, this will be their first experience with overseas missionary work, and there is already so much anticipation as we begin making the necessary preparations. As many of you know, the real task is raising the necessary finances for taking such a trip. The book of Romans declares in chapter 10 verses 14-15 - "How then shall they call on Him in whom they have not believed? And how shall they believe in Him of whom they have not heard? And how shall they hear without a preacher? And how shall they preach if

they are not sent?..." Please be in prayer for us during this crucial season of raising missions finances. The greatest area of

need is within our staff. As you might have guessed, our full-time has been given the leadership of these various missions teams.

It is quite difficult to raise the necessary finances for these trips from within the congregation - especially since twenty percent of the congregation is going themselves! We have estimated that we will need approximately \$12,000 just to cover the expense of sending staff members. Thanks for praying and believing with us. If you would like to give toward this

need, please use the enclosed envelope, and make your check payable to The Life Church of Memphis. In the memo, just write "Missions." We will apply your donation to this crucial area. Thanks again!

"...Pray the Lord

of the harvest

to send out

laborers into

His harvest"

Matthew 9:38
