

*Two Thousand one* marks our fifth year as a church. In November 1996 we began with a team of seven leaders. Our goal was to build a life-giving, Spirit-filled church that would touch the heart of Memphis. We focused on making **everyone a leader**. It worked! The birth of the church and the growth of the leadership base has been incredible, but what really thrills me are the **changed lives**. Relationships have been healed, marriages restored, life-purposes found, souls have been saved, so many have been filled with the Holy Spirit, and many have been called into the ministry, all in **just five short years**. Imagine what is yet to come. I can't wait!

At the beginning of this year, God began stirring my heart that this would be a year of **permanence**. While we have been blessed with incredible buildings to rent for our Sunday Celebration services and administrative offices, the time has come for us to **have our own** place, seven days a week. Moving to a permanent facility will lift us to a whole new level of ministry, and prepare us for the **purchase of our own land**. It is with great anticipation that we launch the **Reaching Forward in Faith** campaign. This is a time to celebrate the foundation that has been laid, but also to reach forward to the things that are ahead. Join with us today as we grab hold of everything Christ has for us!
