One of the most exciting areas where God is at work in our church is in our children's ministry

- Kids Life. Several months ago, in prayer, the Lord really gave us a strong word that He would show us several keys to reaching the city. One of them, we soon discovered, was children. At the end of last summer, after several outreach

efforts, we planted three children's cell groups called Kids Life Clubs. Today, we have over 60 kids in attendance each week. These children are so hungry for positive relationships and a godly example to follow. Efforts have been made to get these children to our Celebration Service on Sundays, and when they come, they absolutely love it. A few Sundays ago, we leased a van for the weekend, and saw eight children give their hearts to the Lord. Two of the mothers came down to the altar as well. We now realize that we are responsible to provide a consistent form of transportation to get these children to church. Please stand with us as we believe

for a bus or a van. One option is to purchase a van, but this would bring a monthly financial increase if \$600-700. If the Lord stirs your

heart to sow a seed into this venture, we would greatly appreciate it. We know that God will bless your giving as you partner with us to see this great need met. We know that we are on to something here that is bigger than we can imagine!
