

reach forward

At the beginning of 2001, God began stirring my heart that this would be a year of permanence. While we have been blessed with incredible buildings to rent for our Sunday Celebration services and administrative offices, the time has come for us to have our own place, seven days a week. A move to a permanent facility will lift us to a whole new level of ministry, and prepare us for the purchase of our own land. It is for this reason we have launched the *Reaching Forward in Faith* campaign.

This is a time to celebrate the foundation that has been laid, but also to reach forward to the things that are ahead. Join with us today as we grab hold of everything Christ has for us!
